IN THE SPACE BELOW, PLEASE GIVE A BRIEF EXPLANATION OF THE PROBLEM OR COMPLAINT AND WHY YOU BELIEVE THE PROPOSED SOLUTION WOULD HELP ELIMINATE THE PROBLEM OR COMPLAINT. IF MORE SPACE IS REQUIRED, ATTACH A SEPARATE PIECE OF PAPER.

I'd like to request a traffic study be performed on East Avenue. I've received multiple complaints of increased speeding, unsafe driving, and accidents (including with pedestrians and those on bicycles) on the road. The individual & entity noted below can provide additional details.

I'd like to have a traffic study done there to determine what course of action should be taken, whether it be additional signage (i.e. speed limit signs, stop signs, yield signs, etc.), lane marker lines, and/or increased police presence.

Please have whomever the request is forwarded to keep me apprised as to when the traffic study is complete and the results therein. Additionally, Ms. Lisa Dotter (401-275-0618) should definitely be consulted for her input. Ms. Dotter recommends East Avenue Laundry also be consulted on this.
